Hey Hey Hey

Natasha

My name is N to the A to the T to the A to the S to the H to the A
Whatup boy what you waiting for
Won't you hurry up and come this way?
Come on!
My mama hatin 'cause he's misunderstood
I can't front 'cuz he lookin so good
Get my name and number said I wish that it would
He's the kinda dude whos goes flat on his own
Got me trippin, you should throw me a bone
just wanna see him I can give him the phone
Everybody saying I should leave him alone
But I'm singing now (hey hey hey)
You know that boy he make me say (hey hey hey)
You made me feel some type of way (hey hey hey)
You know that boy he make me say (hey hey hey)
hey-ee hey!
I saw him over n the parking lot
flossin' in his beamer looking sexy and fly
Bunch of otha fellas tyrna holla at me
but his sexiness is all i see
Got me hearin them (hey hey hey)
You know the boy he make me say (hey hey hey)
He make feel some type of way (hey hey hey)
You know the boy he make me say (hey hey hey hey hey)
Ice grill and he's lookin mean
His type of killa, be lookin so clean
pants saggin from the knot in his jeans
fly like usher
yes hes a hustla
I'm saying (hey hey hey)
You know the boy who make me say (hey hey hey)
he make me feel some type a way (hey hey hey)
You know the boy he make (hey hey hey hey hey)
[Bridge:]I'm your chick, you know you need to have up in ya life
I got the body and the brains, the type you wanna love
Boy you're the one im persuing
And I'm feelin so what you're doin
Why u frontin on me, I'm tryna holla at you

You need to recognize, baby I'm tryna snatch you

You're playing hard-to-get, don't even realize it
What you looking for? Baby You know I got it
He's was freshin by the barber shop
The kinda dude thhat don't talk a lot
Just a swagger make him crazy hot
I had to take a second look and stop
and be like hey (hey hey hey)
You are the boy who made me say (hey hey hey)
You made me feel some type of wave (hey hey hey)
You are the boy who made me say (hey hey hey hey hey)
[Bridge:]I'm your chick, you know you know need to up in ya life
I got the body and the brains, the type you wanna love
Boy you're the one im persuing
and I'm feelin so what you're doin
Why u frontin at me, I'm tryna holla at you
You need to recognize, baby I'm tryna snatch ya
You're playing hard-to-get, don't even realize it
What you looking for? Baby you know I got it
I'm the one that happened thats how it goes
the chapters finished and the story is closed
Yeah, yaw saying yea tasha is bold?
I've been feeling and the state on the low
See I was finding wanna get him so long
All yaw chicks been pressing him wrong
i can put it on him the way i laid it is strong
Bet you he'll be callin by the end of this song
like tasha (hey hey hey)
You know that boy he make me say (hey hey hey)
He make feel some type of way (hey hey hey)
You know that boy he make me say (hey hey hey)
Hey!
You know that boy he make me say (hey hey hey)
He make feel some type of way (hey hey hey)
You know that boy he make me say (hey hey hey)
My name is N to the A to the T to the A to the S to the H to the A
Whatup boy what you waiting for
Won't you hurry up and come this way?
Hey, hey [4x]
