

Neon Tiger (Foxwoods 2008)

The Killers

Far from the evergreen of old Assam
Far from the rainfall on the trails of old Saigon
straight from the poster town of scorn and ritz
To bring you the wilder side of gold and glitz But neon tiger there's a lot on your mind
They promised just to pet you, but don't you let them get you
Away, away, away
Under the heat of the southwest sun Took to the spotlight like a diamond ring
Came from the woodwork and the hopes they might
Redeem themselves from poor decisions to win big But neon tiger there's a lot on your mind
Strategize to maim you, but don't you let them tame you
You're far too pure and bold
To suffer the strain of the pain that's old. I don't wanna be kept, I don't wanna be caged, I don't wanna be
damned oh hell
I don't wanna be broke, I don't wanna be saved, I don't wanna be S.O.L.
Give me rolling hills so tonight can be the night that I send them up a thousand thrills
Can you cut me some slack, Cause I don't wanna go back, I want the new day and age Come on girls and boys,
everyone make some noise! Run neon tiger there's a price on your head
They'll put you down and cut you, I'll never let them touch you
Away, away, away
Oh I'm gonna need a neon tiger roar Under the heat of
Under the heat of
Under the heat of the southwest sun Neon tiger
There's a lot on your mind
