

# Everytime You Go Away

Clay Aiken

[originally performed by Paul Young] Baby, if we cant solve any problems

Why do we lose so many tears?

Oh, so you go again

When the leading man appears

Always the same theme

But cant you see weve got everything going on and on and on

Everytime you go away

You take a piece of me with you

Everytime you go away

You take a piece of me with you

([Background vocals:] Everytime You Go..)

Go on and go free

Maybe youre too close to me

I can feel your body move

But does it mean that much to me

I cant go on singing the same theme

Cant see we've got everything

Baby, even though you know

Everytime you go away

You take a piece of me with you

Everytime you go away

You take a piece of me with you

Ohhhhhhhh oooohhhh,

Everytime you go away

I cant go on singing the same theme

Baby, can't you see eve got everything going on

Everytime you go away

You take a piece of me with you

Everytime you go away

You take a piece of me with you

Ohhh,

Everytime you go away

Yeah,

You take a piece of me with you

Ooooooh,

Everytime you go away

Yeah,

You take a piece of me with you

Ohhhhhhh oooohhh,
