

Minor Heaven

[Tarja](#)

Take my longings and believe them
Light a candle if you know
I breath love, don't wanna be there
These are things I got to know
The magic seems so far
Don't know who they areLet me go Minor Heaven
Cause my blood to run
Leave this place, unforgiven
Heal me with your sun
How can I come undone?
Let me know Minor HeavenLight a way for me to walk on
From the ashes to the sky
Burn the thorns so I can hold on
Trust in me I know I'm right
You know it's gone too far
Leave them where they areLet me go Minor Heaven
Cause my blood to run
Leave this place, unforgiven
Heal me with your sun
How can I come undone?
Let me know Minor HeavenEven if nothing I'll become
Something I've been for all too long
Let me go Minor HeavenLet me go Minor Heaven
Cause my blood to run
Leave this place, unforgiven
Heal me with your sun
How can I come undone?
Let me know Minor Heaven
