## **Minor Heaven**

## **Tarja**

Take my longings and believe them Light a candle if you know I breath love, don't wanna be there These are things I got to know The magic seems so far Don't know who they areLet me go Minor Heaven Cause my blood to run Leave this place, unforgiven Heal me with your sun How can I come undone? Let me know Minor HeavenLight a way for me to walk on From the ashes to the sky Burn the thorns so I can hold on Trust in me I know I'm right You know it's gone too far Leave them where they are Let me go Minor Heaven Cause my blood to run Leave this place, unforgiven Heal me with your sun How can I come undone? Let me know Minor HeavenEven if nothing I'll become Something I've been for all too long Let me go Minor HeavenLet me go Minor Heaven Cause my blood to run Leave this place, unforgiven Heal me with your sun How can I come undone? Let me know Minor Heaven
