

I've Got You Under My Skin

[Al Bowlly](#)

I've got you under my skin
I've got you deep in the heart of me
So deep in my heart, you're really a part of me
I've got you under my skin I've tried so not to give in
I've said to myself this affair never will go so well
But why should I try to resist when darling I know so well
I've got you under my skin Sacrifice anything, having you near
In spite of the warning that repeats Don't you know you never can win
Use your mentality, wake up to reality
But each time I do, just the thought of you
Makes me stop before I begin Oh baby under my skin
Baby, baby you under my skin Don't you know that each time I do
Just the thought of you makes me stop before I begin
Under my skin Never win, never win
Never win, never win
No no, never win, never win
Never win, never win
No no, never win, never win
Never win, never win
No no, never win, never win
Never win, never win
