

# The One (Live from Aphrodite/Les Folies)

Kylie Minogue

Starlight shimmers everywhere  
There's a certain something in the air  
Can you feel what I feel in me?  
It's in the air, electricity oh, oh Glimmering under neon lights  
I can see the look, that's in your eyes  
Like a shooting star in a galaxy  
Making its way to the heart of me I'm the one  
Love me, love me, love me, love me  
I'm the one  
Love me, love me, love me, love me  
I'm the one  
Love me, love me, love me, love me  
I'm the one  
Love me, love me, love me, love me My pulse is racing and I'm feeling high  
Never-ending starts tonight  
When you do what you do to me  
Come on and let yourself feel the need in me, oh, oh Circling and we're getting close  
Can you imagine, just suppose  
It's a feeling that I need to know  
Close to touch like Michelangelo I'm the one  
Love me, love me, love me, love me  
I'm the one  
Love me, love me, love me, love me  
I'm the one  
Love me, love me, love me, love me  
I'm the one  
Love me, love me, love me, love me Can you hear me?  
I'm connecting with you  
Can you feel me?  
I'll do anything to have you near me  
I was wondering, will you reach me? Can you hear me?  
I'm connecting with you  
Can you feel me?  
I'll do anything to have you near me  
I was wondering, will you reach me? I'm the one  
Can you hear me?  
I'm connecting with you  
Can you feel me?  
I'll do anything to have you near me

I was wondering, will you reach me? I'm the one  
Can you hear me?  
I'm connecting with you  
Can you feel me?  
I'll do anything to have you near me  
I was wondering, will you reach me?
