

Turn Down The Lights

Neil Diamond

I've been up, I've been down
I've been so turned around
 That I've seen my fate
 In the eyes of others
I've been high, I've been low
But there's one thing I know
 There's a lot to give
When we give to each other
 So I bring you my song
 Hoping you'll sing along
 Turn down the lights
 Turn up the music
Let's just be together tonight
 And turn down the lights
First we're here, then we're gone
 But the music plays on
 From the heart of one
 To the heart of another
It's goodnight, not goodbye
We're just done for awhile
 We'll be back again
With some new things discovered
 And we'll bring you our song
 Hoping you'll sing along
 Turn down the lights
 Turn up the music
Let's just be together tonight
 Come turn down the lights
 So I bring you my song
 Hoping you'll sing along
 Turn down the lights
 Turn up the music
Let's just be together tonight
 Turn up the love
 Bring out the memories
You and I could share them all night
 So turn down the lights
 Turn down the lights
 Turn down the lights

Turn down the lights
