

# Monster (Cover by Hugo FeZzo)

## Meg & Dia

His little whispers

Love me love me

That's all I ask for

Love me love me

He battered his tiny fists to feel something

Wondered what it's like to touch and feel something Monster

How should I feel?

Creatures lie here

Looking through the window That night he caged her

Bruised and broke her

He struggled closer

Then he stole her

Violet wrists and then her ankles

Silent pain

Then he slowly saw their nightmares were his dreams Monster

How should I feel?

Creatures lie here

Looking through the windows

I will

Hear their voices

I'm a glass child

I am Hannah's regrets
