How Quickly You Forget

Eli Young Band

I remember when your heart depended on me
what was perfect for you was perfect for me
(there was no limit to my love for you)
but something happened we could shake it off
like we were cut from the same cloth
I remember when your heart depended on me
now you're tellin' everyone you made it on your own
but who's the one that loved you when you couldn't be loved
who took you higher than the moon above
oh I gave you everything that I could have given you
how quickly you forget
oh yeah
I recall all the times you took the credit
(I held my tongue and kept my mouth shut)
you thought you were god's gift but I was only ...
baby I was wrong and a little naive
to think you'd never take advantage of me
I recall all the times you took the credit

now you're tellin' everyone you made it on your own
but who's the one that loved you when you couldn't be loved
who took you higher than the moon above
oh I gave you everything that I could have given you
how quickly you forget
oh yeah
now you're tellin' everyone you made it on your own
but who's the one that loved you when you couldn't be loved
who took you higher than the moon above
oh I gave you everything that I could have given you
but who's the one that loved you when you couldn't be loved
who took you higher than the moon above
oh I gave you everything that I could have given you
how quickly you
forget
I remember when your heart depended on me
