

Vaseline

Elastica

This one's called Vaseline When you're stuck like glue
Vaseline
When you need some goo, ah When you're stuck like glue
Vaseline
When you're black and blue Vaseline
La, la, la, la
La, la, la
La, la, la When you're stuck like glue
Give me some When you're stuck like glue
If you'd like to woo Vaseline
La, la, la, la
La, la, la
La, la, la If it's hard like you
Give me some
Do you need a clue?
I want some Vaseline, Vaseline
Vaseline, Vaseline
Vaseline, Vaseline
