Gamin' on me
Funkenstein is a fag
Gamin' on me
He thinks he knows everythangGamin' on me
Funkenstein is a fool
Gamin' on me
He thinks that he can break the rulesGamin' on me
Funkenstein is a fag
Gamin' on me
He thinks he knows everythangGamin' on me
Funkenstein is a fool
Gamin' on me
He thinks that he can break the rulesPeople keep waiting on a change
They ain't got sense enough
To come in out of the rainPeople keep waiting on a change
They ain't got sense enough
To come in out of the rainPeople keep waiting on a change
They ain't got sense enough
To come in out of the rainPeople keep waiting on a change
They ain't got sense enough
To come in out of the rainPeople keep waiting on a change
They ain't got sense enough
To come in out of the rain
