

Mostly Tha Voice

Gang Starr

Refrain: It's mostly tha voice, that gets you up
It's mostly tha voice, that makes you buck
A lot of rappers got flavor, and some got skills
But if your voice ain't dope then you need to (chill... chill...)Up steps one, and he gets done
Then up steps another, he gets smothered
That's word to mother, or should I say moms
I drop bombs, scorchin niggaz like napalm
Sucka, boy, get off my shit
Get off my dick so what I make butter hits
You better change your behavior, battling gangstarr
No religion could save ya
My religion is rap, r-a-p
R-e-a-l-i-t-y, g
Cause when I rock street kids rejoice
I got mad rhymes, stillRefrainSo when you think you know the whole you don't even know the half
You're not a threat to myself, and neither to my staff
Not the type to really dance too much, although I used to
Rather bust a fresh line, and get loose to
The blunted ill types of beats premier makes
Makes your girl's rear shake, let me set it straightRefrainSome rappers use hooks to this shit
But if you took that shit out
And you took all the music out
What would remain? the voice no doubt
Bless my soul I control
When in pimp mode
My bank roll expandsI invest in my man
I plan, to keep rap real
So if your shit ain't fat then kneel
You squeal, feeling pain from my oral flex
What about oral sex, which chick's next
To open wide and get a chunk from a real brother
Yeah, some real funk from a real brother
They get sprung and most of them don't recover
But I don't diss em I just talk to em
Cause the sound, of my voice, it does a lot to em
So you and, the niggaz right there
Be aware, like swv, I'm right here
Waitin to correct your ass
And if you don't follow now I'll disrespect your ass

More vicious than sid, do a crime with no bid
I tell a bitch that I didn't when you know that I did
Take a trip to a land a-far
Then come back, and people still know gangstarr
See I'm the ladies choice
Cause I got crazy styles, stillRefrainOutro: guru, shugOh shit shug, whattup
(whassup money?)
Just loungin, about to go do this shit in the studio
(oh yeah, you just let me get on that shit
You always said I could get on, you need to let me get on that)
Word?
(for real man)
Yo man
(don't front on that shit)
I'm sayin yo, if I let you get busy, youknowhati'msayin
You can't be dissapointin me
(i flip shit, i'ma flip shit on this)
Aight man, let's go
