

Black Coffee

Black Flag

Who are you with, where have you been Staring at the walls, think I know what I see Imagination turns thoughts, reason can't change Black coffee, black coffee, black coffee, staring at the wall Anger and coffee, feeling mean Drinking black coffee, black coffee, drinking black coffee, staring at the wall Black coffee, drinking black coffee, drinking black coffee, staring at the... Stab through my heart, stab through my heart, stab through my heart Just in my mind, mind, mind, mind Its just in my mind, yeaaaaaaaaa But its all in my mind, mind, mind, mind Its my turn to be jealous, now I don't stand for it all My heart is pounding, as stare at the wall In fact I'm pretty stupid, I'm feeling small Anger and coffee, feeling mean Black coffee, drinking black coffee, drinking black coffee, staring at the... Black coffee, black coffee, black coffee, staring at the wall Drinking black coffee, black coffee, black coffee, staring at the wall Stab through my heart, stab through my heart, stab through my heart But its all in my mind, mind, mind, mind Just in my mind, mind, mind, mind Its just in my mind Yeaaaaaaaaa Drinking black coffee, drinking black coffee, drinking black coffee, staring at the wall Black coffee, drinking black coffee, drinking black coffee, staring at the... Stab through my heart, stab through my heart, stab through my heart Black coffee, black coffee, black coffee, staring at the wall But its all in my mind, mind, mind, mind Just in my mind, mind, mind, mind If the night goes on, paranoia adultery Its just in my mind, yea Why should I be so stupid, when I can't really see The other side of the wall, is eating away at me Anger and Coffee, feeling mean Drinking black coffee, black coffee, black coffee, staring at the wall Black coffee, black coffee, black coffee, staring at the wall Stab through my heart, stab through my heart, stab through my heart Black coffee, drinking black coffee, drinking black coffee, staring at the... Its just in my mind, mind, mind, mind But its all in my mind, mind, mind, mind Its just in my mind
