

# God Save Us All

## Lenny Kravitz

We need a leader  
We can't seem to help ourselves  
    Fighting and lying  
We can't seem to let it go  
    We live each day  
On a small piece of borrowed time  
    Why aren't we trying  
    To enjoy this crazy ride  
What are we gonna do about it?  
    God save us all  
    God save us all  
    God save us all  
    If we really try  
    Maybe we can make it  
    We need a teacher  
We must learn to see the light  
    Let's get together  
    This world needs us to do right  
There's too much poverty, sickness  
    There's pain and strife  
    Why aren't we trying  
    To improve this thing called life

What are we gonna do about it?  
    God save us all  
    God save us all  
    God save us all  
    If we really try  
    Maybe we can make it  
    God save us all  
    God save us all  
    God save us all  
    If we really try  
    Maybe we can make it  
    God save us all  
    God save us all  
    God, God, God  
    God save us all  
    God save us all

God save us all  
God save us all  
If we really try  
Maybe we can make it  
God save us all
