

Fallen Angel

Chris Brown

[Verse 1]

If I could take a trip to outer space
She would be the one I would see
When I get to heaven's gate
She would welcome me with her arms open wide, and her smile
Would shadow me brighter than the sun
She hasn't had a fair chance, so I'll give her one
Let me tell you who she is, yeah [Chorus]
She's a fallen angel, sent from heaven up above
She's a fallen angel, waitin' for me to love her, yeah
(She's) She's a fallen angel, take your judgment off her
I know, that she's a fallen angel [Verse 2]

You know, maybe I should
Help her mend her broken wings
So she can fly again
But I don't wanna lose everything, that I've gained
It's turnin' me a selfish man (oh)
Cause without her my heart just don't go, no more (no more)
I couldn't take the pain of watchin' her fly away
So say that you will stay
She's mine [Chorus]

She's a fallen angel, (ooh) sent from heaven up above
She's a fallen angel, waitin' for me to love her, yeah
(She's) She's a fallen angel, so take your judgment off her
I know, that she's a fallen angel [Verse 3]

Don't you
Baby don't you (don't you worry) worry
I'm gon' help you (I'm gon' help you) fly
(I'm gon' help you fly)
Just take me under your (take me under) wings,
And we can reach the (we can reach the) sky
(we can reach the sky)
Baby don't you (don't you worry) worry,
I'm gon' help you (I'm gon' help you) fly
(I'm gon' help you fly)
Yo mama, don't you (take me under) worry
you gon' reach the (we can reach the) sky
(we can reach the sky)
She's a [Chorus]

Shes a fallen angel, (hey hey) sent from heaven up above, just for me
Shes a fallen angel, waitin for me to wrap my heart around her, know
(Know that shes) Shes a fallen angel, makin due with all the judgment (no)
I know, that shes (yeah) a fallen angel (ooh ahh)[Verse 4]

Baby I know
I know that they done hurt you
But Im here
To take it all away
So if you let me
You know what, just put your heart in my hands
And everything they say, I'll take it back
Like this[reversed last verse][Verse 5]
You dont mean nothing, [reversed line]
I dont want ya, [reversed line]
I dont need ya, [reversed line]
Never loved ya, [reversed line]
Youre nobody, [reversed line]
And never make it, [reversed line]
Youre a mistake (ooh), [reversed line]
