

Rapture

New Young Pony Club

(Hu-hu-higher)

(Hu-hu-higher)

(Uh-hu-higher)

(Hu-hu-higher)Uh-huh-higher

Uh-huh-higher

Uh-huh-higher

Uh-huh-higher

Uh-huh-higher

Uh-huh-higher

Uh-huh-higher

Uh-huh-higherDays are long and the nights are cold

Your hair hangs down and you just don't know

How to live on the inside

Smile on the outside

Peg is square but the world is round

Each burned bridge falls without a sound

Cause you're big on the outside

Small on the insideHigher, higher

Higher, higher

Higher, higher

Higher, higherOne small day for a moment's thrill

We all love that and we always will

Can't you smile on the outside?

We're on the insideHigher, higher,

Higher, higher

Higher, higher

Higher, higherCan we get any?

Can we get any?

Can we get any?

Can we get any?

Uh-huh-higher

Uh-huh-higher

Uh-huh-higher

Uh-huh-higherDays are long and the nights are cold

Your hair hangs down and you just don't know

How to live on the inside

Smile on the outside

Your hair hangs down and you just don't know

Days are long and the nights are cold

How to live on the inside
Smile on the outsideSmile on the outside (Uh-huh-high)
Smile on the outside (Uh-huh-higher)
Smile on the outside (Uh-huh-high)
Smile on the outside (Uh-huh-higher)
Smile on the outside (Uh-huh-higher)
Uh-huh-higher
Uh-huh-higher
Uh-huh-higher
Uh-huh-higher
Uh-huh-higher
Uh-huh-higher
Uh-huh-higher
