

# Only a Moment Ago

## The Partridge Family

Why has the music stopped?  
Where did all the happy people go?  
I know they were there, songs everywhere  
Only a moment ago I only blinked my eye  
(I only blinked my eye)  
And now the world that I used to know  
Is changin' on me, why can't it be?  
Only a moment ago? Only a moment ago  
(Only a moment ago)  
It was spring and I was singin'  
Only a moment ago  
I could see where the road would lead  
And what tomorrow was bringin' Hey, Mister 'Dream come true'  
Why did you go and walk out the door?  
It all went so fast, why couldn't it last  
Only a moment more? Only a moment ago  
(Only a moment ago)  
It was spring and I was singin'  
Only a moment ago  
I could see where the road would lead  
And what tomorrow was bringin' Why has the music stopped?  
(Ahh)  
Where did all the happy people go?  
I know they were there  
(Know they were there)  
Songs everywhere  
(Songs everywhere)  
Only a moment ago Why has the music stopped?
