Fix A Heart

Demi Lovato

It's probably what's best for you
I only want the best for you
And if I'm not the best, then you're stuck

I try to savertise and I
Ended up with wounds to bind
Like you're pouring salt in my cuts

And I just ran out of band-aids
I don't even know where to start
'Cause you can't bandage the damage
You never really can fix a heart

Even though I know what's wrong
How can I be so sure
If you never say what you feel, feel

I must have held your hand tight
You didn't have the will to fight
I guess you needed more time to heel

Baby I just ran out of band-aids
I don't even know where to start
'Cause you can't bandage the damage
You never really can fix a heart

You must be a miracle
Walk up, swearin' up and down
You can't fix whats been broken, yeah

Please don't give my hopes up, no no
Baby, tell me how could you
Be so cruel

It's like you're pouring salt on my cuts

Baby, I just ran out of band-aids
I don't even know where to start
'Cause you can't bandage the damage

You never really can fix a heart

Baby, I just ran out of band-aids
I don't even know where to start
'Cause you can't bandage the damage
You never really can fix a heart
Oh no no no no

You never really can fix a heart
Oh no no no no
You never really can fix heart...

You never really can fix my heart...
