Gunhild (with Soko)

I'm from Barcelona

I know that you are hiding in there
I know that you are hiding in there
Can I let you out?And if I let you out
Is it okay if I let you out?
If I let you out just for a while
Is it all right?If I let you out
Is it okay if I let you out?
If I let you out just for a while
Is it all right?'Cause it's only water in your eyes
And it's only words out of my mouth
It's only me out here tonight
It's only you I wanna findIt's only water in your eyes
It's only words out of my mouth
It's only me out here tonight
And it's only you I wanna to findIt's only water in my eyes
It's only words out of your mouth
It's only me out here tonight
It's only you I want to findI know that you are hiding in there
I know that you are hiding in there
Can I let you out?
