The Red

Jaylib

They say 'Freak'
When you're singled out
The red
Well, it filters throughSo lay down
The threat is real
When his sight
Goes red againSeeing red again
Seeing red againThis change
He won't contain
Slip away
To clear your mindWhen asked
What made it show
(What made it show)
The truth
He can't send to mostSo lay down
The threat is real
When his sight
Goes red againSo lay down
The threat is real
When his sight
Goes red againSo lay down
The threat is real
When his sight
Goes red againSeeing red again
Seeing red again
Seeing red again
Seeing red again
Seeing red again
Seeing red again
Seeing red again
Seeing redThey say 'Freak'
When you're singled out
The red
It filters through
