

# Never Wanna Let You Go

## Take That

Lying here beside you, in a cloud of warmth  
I've been awake all night but move  
Though I know I should  
Counting curls n your hair, as you sleep so tight  
I wonder if you'll ever know 'till I go  
The chances are you'll be there too some day  
We'll never know, let's hope

Chorus:  
Never wanna let you go  
Never wanna let you go  
All I can do is hope  
'cause I never wanna let me go  
Dreaming soft in silence, been working hard all day  
Still in the night grows darker, I'm with you in every way  
Chorus I don't know whether I'm trying to love, love  
you baby  
Been round long enough to know
