Vanity Fair

Romance and Rebellion

Sunshine,long drives and tan lines..
I love that feeling when she runs her
Hands through my hair...
Its like the world could end I would care..

Ahh yeah!

Red lips...blue eyes and knee highs..
She smells like summer and she tastes like cherry coke..
Blow me a kiss and take off your clothes...
Coz I said so...

That way she walks,
Makes the blood rush to my head,
If that ain't love I don't know what is..

She's like a girl you'd see in vanity fair!
A runway supermodel derriÃ¨re!
With all the right moves in all the right ways,
A million different looks you fall in love each day!
Look at you damn devil with a quick witt!
Her English is perfect but her French is shit!
She's always a la mode no matter what she wears!
Her beauty's such a sight to see..
They call her vanity fair..

Chhh chhh chhh chhh!
She got...
Big dreams,billboards and silver screens..
My Mona Lisa yeah,I'll be her James D
From now until they cut our scene..

Yeah she's my one main chick I don't need no one else!
Her love is like a drug and I'm so hooked I need help!
Oh baby! Baby!
Can't you see that every second spent without you I'm in agony?!

That way she walks,
Makes the blood rush to my head,

If that ain't love I don't know what is..

She's like a girl you'd see in vanity fair!
A runway supermodel derriÃ¨re!
With all the right moves in all the right ways,
A million different looks you fall in love each day!
Look at you damn devil with a quick witt!
Her English is perfect but her French is shit!
She's always a la mode no matter what she wears!
Her beauty's such a sight to see..
They call her vanity fair..

They call her Vanity Fair..

That way she walks,
Makes the blood rush to my head,
If that ain't love I don't know what is..

She's like a girl you'd see in vanity fair!
A runway supermodel derriÃ¨re!
With all the right moves in all the right ways,
A million different looks you fall in love each day!(Fall in love each day!)
You got your damn devil with a quick witt!
Her English is perfect but her French is shit!
She's always a la mode no matter what she wears!
Her beauty's such a sight to see..
They call her vanity fair..

(Heh!)
