

Jonz in My Bonz

[D'Angelo](#)

Said I got a jonz in my bonz
I said this feeling that I got
Won't leave me 'lone
Said I got a jonz in bonz
I said this feelin' I got
Goes long and strong All my natural life I've been waiting
I've been holding on
To everything that belongs to me
Fooled, missed by every single possibility
What I wouldn't give to be
Next to the things that where meant fo me
Uh ooh Said I got a jonz in my bonz
I said this feeling that I got
Won't leave me 'lone
Said I got a jonz in bonz
I said this feelin' I got
Goes long and strong On and on, on and on, on and on, on, on,
Baby, shoo do doo da do Said I got a jonz in my bonz
I said this feeling that I got
Won't leave me 'lone
Said I got a jonz in bonz
I said this feelin' I got
Goes long and strong
