

# Get Some Sleep

## Bic Runga

From here to there to everywhere and back to Union Square

Where do I get some sleep?

Anywhere the sleep dust lies it decorates your eyes

Where do I get some sleep?

Stranded in June

Whistling the same old tune

But I do believe I might be having fun

I believe I might be having fun

Impeccably dressed in your second hand vest

We were waiting for the taxi to come

Putting on my daytime eyes a good enough disguise

Until I get some sleep

Reading out the horoscopes and using up our jokes

When do we get to sleep?

Stand on the moon

Find the light of my living room

Yes I do believe I might be having fun

I believe I might be having fun

Tune into the station

Make a dedication

This is going out to everyone

This is going out to everyone

This is going out to everyone

Something in the phrasing was quietly amazing

We were waiting for the chorus to come

This is going out to everyone

This is going out to everyone

From here to there to everywhere and back to Union Square

Where do I get some sleep?

Anywhere the sleep dust lies it decorates your eyes

When do I get some sleep?

Stranded in June

Whistling the same old tune

Yes I do believe I might be having fun

I believe I might be having fun

Tune into the station

Make a dedication

This is going out to everyone

This is going out to everyone

This is going out to everyone  
This is going out to everyone  
Going out to everyone  
This is going out to everyone
