

# To The Sky

## Sussed

Shipwreck in a sea of faces  
There's a dreamy world up there  
Dear friends in higher places  
Carry me away from here  
Travel light, let the sun eclipse you  
'Cause your flight is about to leave  
And there's more to this brave adventure  
Than you'd ever believe  
Birdseye view, awake the stars 'cause they're all around you  
Wide eyes will always brighten the blue  
Chase your dreams, and remember me, sweet bravery  
'Cause after all those wings will take you up so high  
So bid the forest floor goodbye  
As you race the wind and take to the sky  
You take to the sky  
On the heels of war and wonder  
There's a stormy world up there  
You can't whisper above the thunder  
But you can fly anywhere  
Purple burst of paper birds this  
Picture paints a thousand words  
So take a breath of myth and mystery  
And don't look back  
Birdseye view, awake the stars 'cause they're all around you  
Wide eyes will always brighten the blue  
Chase your dreams, and remember me, sweet bravery  
'Cause after all those wings will take you up so high  
So bid the forest floor goodbye  
As you race the wind and take to the sky  
(Take to the sky)  
There's a realm above the trees  
Where the lost are finally found  
Touch your feathers to the breeze  
And leave the ground  
Birdseye view, awake the stars 'cause they're all around you  
Wide eyes will always brighten the blue  
Chase your dreams, and remember me, sweet bravery  
'Cause after all those wings will take you up so high  
So bid the forest floor goodbye

As you race the wind and take to the sky

You take to the sky

(You take to the sky)

You take to the sky
