

Brides of Neptune

Cracker

She says this is my movie,
so you'll do what i tell you.
There's a mixup in Bali -
you get chased by a monkey.Brides of Neptune cross the water,
bring us your sons and bring us your daughters.
I won't forsake thee deep in the blue sea;
I'll take you home.Brides of Neptune cross the water,
bring us your sons and bring us your daughters.
I won't forsake thee deep in the blue sea;
I'll take you home.I tried dating a mermaid;
she buys pot from the first mate.
That mysterious cargo
is still guarded by monkeys.
ThenBrides of Neptune cross the water,
bring us your sons and bring us your daughters.
I won't forsake thee deep in the blue sea;
I'll take you home.
Brides of Neptune cross the water,
bring us your sons and bring us your daughters.
I won't forsake thee deep in the blue sea;
I'll take you home.Brides of Neptune cross the water,
bring us your sons and bring us your daughters.
I won't forsake thee deep in the blue sea;
I'll take you home.
Brides of Neptune cross the water,
bring us your sons and bring us your daughters.
I won't forsake thee deep in the blue sea;
I'll take you home.Brides of neptune
