feelings

Wasted Nights

Feelings
Nothing more than feelings
Trying to forget my
Feelings of hate

Imagine
Beating on your face
Trying to forget my
Feelings of hate

Feelings
For all my life i'll feel it
I wish I'd never met you
You'll make me sick again

Feelings, oh oh feelings
Of hate on my mind

Feelings
Feelings like I never liked you
Feelings like I want to kill you
Live in my heart

Feelings
Feelings like I want to deck you
Feelings like I've gotta get you
Out of my life

Feelings, oh oh feelings
The hate's in my eyes

Feelings, oh oh feelings
You're not very nice
