Dream Like We're Gonna Live Forever

Beverley Mitchell

Let's not take one thing for granted
Life doesn't always go the way we plan it
We found each other somehow
So let's make a promise right now
[Chorus:]We'll always be together
Even as the good times come and go
Let's dream like we're gonna live forever
And live, like we could die tomorrow
When there's a chance, let's take it
When there's love to make, baby let's it
The more we give, the more we learn
To ask nothing in return

[Chorus:]We'll always be together
Even as the good times come and go
Let's dream like we're gonna live forever
And live, like we could die tomorrow
When soul mates are lovers and friends
You can't define where one begins and the other one ends
We'll always be together
[Chorus:]We'll always be together
Even as the good times come and go
Let's dream like we're gonna live forever
And live, like we could die tomorrow
