

Fall on Me

Kitten

Trash, a useless photograph
Remember when we used to laugh
At all the lonely, bleeding hearts?
But even so, it's a trap
Knowing what we had
Knowing that we wasted every single kiss
But who am I to reminisce? So fall on me in your way
Fall gentle like the rain
Till only one of us remains Fall on me like a rose
That runs wild as it grows
Runs wild as it tears this world apart
Gone, are you really gone?
You said you needed time to disappear
but now your spirits gone and your body's here
so long, I've waited for so long
In the streets under velvet light
Like a virgin [?] Fall on me in your way
Fall gentle like the rain
Till only one of us remains Fall on me like a rose
That runs wild as grows
Runs wild as it tears this world apart You come in quiet like a thief
And you leave, desperate as child Oh and I'll say the word, [?]
Soon all the angels serenade me
Change your mind, it was just one kiss
Why shouldn't heaven look like this?
Wahooo, wahaaaa, Wahooooooooo Fall on me in your way
Fall gentle like the rain
Till only one of us remains
Fall on me like a rose
That runs wild as it grows
Runs wild as it tears this world apart I'll say the word, [?]
Soon all the angels serenade me
you'll change your mind, it's just one kiss
When heaven looks like this
I'll say the word, [?] the hell that made me
Soon all the angels serenade me
Change your mind, it was just one kiss
