Still Good At Crying Over You

The Boxcars

I fell off the stool at Charlieâ€™s last night, I made everyone mad.
Lately standingâ€™s been a little harder for me, Iâ€™m so like a balancing act.
I drove by your place today, I wanted so bad to stop and sayâ€¦â€¦..

I canâ€™t hold a job down, and wipe off this big frown and though I try, I canâ€™t hide the truth.
And when I drink, I drink it all up, and I canâ€™t drown all the bad luck, thereâ€™s a lot of things I canâ€™t do
When I lay down at night, I can get one thing rightâ€¦.Iâ€™m still good at crying over you.

Only a fool would keep hanging on, â€˜cause itâ€™s been such a long time.
I never thought weâ€™d find ourselves here today,â€¦.Iâ€™m drunk,â€¦ and youâ€™re doing fine
Itâ€™s been ten years to the day, I still canâ€™t get used to your last name.

So canâ€™t hold a job down, and wipe off this big frown and though I try, I canâ€™t hide the truth.
And when I drink, I drink it all up, and I canâ€™t drown all the bad luck, thereâ€™s a lot of things I canâ€™t do
When I lay down at night, I can get one thing rightâ€¦.Iâ€™m still good at crying over you.
Iâ€™m still good at crying over you.
