

Take Me Out

Atomic Tom

If I was bold enough
I would follow you forever but
Darling, please
Rescue me, take me out Some may say, it's my fate
Am I just in time or am I late?
If you can understand Then take me out
I don't start, I don't end
I don't change on my own Take me out
I don't lose, I don't win
I don't do well alone
(I don't, I don't, I don't) Love is what you make it
Take my heart and break it
Take me out
I don't want to stay home You make me dread, make me sweat
But can you make love
Mean something instead
Something real, make me feel Then, take me out
I don't start, I don't end
I don't change on my own Take me out
I don't lose, I don't win
I don't do well alone
(I don't, I don't, I don't) Love is what you make it
Take my heart and break it
Take me out I don't want to stay home
I don't want to stay here
I don't wanna live half my life
And disappear So if you want to take chances
Take a chance on me
Then take me out
Take me out Then take me out
I don't start, I don't end
I don't change on my own Take me out
I don't lose, I don't win
I don't do well alone
(I don't, I don't, I don't) Love is what you make it
Take my heart and break it
Take me out
I don't want to stay home I don't want to stay
I don't want to stay home

I don't want to stay
I don't want to stay home I don't want to stay
I don't want to stay home
I don't want to stay
(Take me out)
I don't want to stay home I don't want to stay
I don't want to stay home
I don't want to stay
I don't want to stay home I don't want to stay
I don't want to stay home
I don't want to stay
(Take me out)
I don't want to stay home I don't want to stay
I don't want to stay home
I don't want to stay
I don't want to stay home I don't want to stay
I don't want to stay home
I don't want to stay
(Take me out)
I don't want to stay home I don't want to stay
I don't want to stay home
I don't want to stay
(Take me out)
I don't want to stay home
