The Sun Is Shining

Jimmy Reed

Yesterday I found
That everything I knew was wrong
It was upside down
The life I thought I had was gone
But You came and whispered love to me
And You gave me strength to carry on
Oh, the sun is shining
Oh, a new day's dawning
The sun is shining
Yesterday I lost
Everything I had and loved
Then I cried out for You, Lord
And You came and picked me up
And the sorrow lasted through the night
But the joy came with the morn

Oh, the sun is shining
There is hope for me again
Oh, a new day's dawning
The sun is shining
I will lift my voice
No, I won't be silent
For You heard my cry
And You turned my mourning into dancing
And so forever I'll sing
Oh, the sun shining
There is hope for me again
Oh, a new day's dawning
Yeah the sun is shining
The sun is shining down...
