

Chain of Lakes

Sioux Falls

an oil slick around the moon
would you like to watch cartoons?
maybe it's just better this way
maybe it's just strange to see you laugh with me
i'm not funny
just OCD
ooooohhhh
maybe when we were better
more unlike ourselves
tell me what to do a chain of lakes inside your skull
we ate donettes till we were full
krispy cremes on eyelid screens
meeting you felt strange
i'm weak
he always cheats
at games
nice set
smoked pot by the ocean
in san francisco
i felt less alone
show me all your poems
