Honey

Torres

This cannot happen again
Twice in a year is too much
Heavy are you on my mind
Twice in a flush, it ain't enoughHoney, while you were ashing in your coffee
I was thinking 'bout telling you
What you've done to me
Honey, pretending like it never happened
Come over here and let me
Put you back togetherWriting just to save my life
You stretch barelegged across each line
What ghost crawled inside my guitar?
Don't move, just stay right where you are
I don't need to look I'd know that voice anywhere
Everything hurts but it's fine (it's fine)
Happens all the time
Oh, happens all the time
Heavy are you on my mind
Heavy are you on my mindHoney, while you were ashing in your coffee
I was thinking 'bout telling you
What you've done to me
Honey, pretending like it never happened
Come over here and let me
Put you back together
