

7 Days Intro...

Deitrick Haddon

[Verse 1:]

Listen here

Now U made the world and all of its beauty,
Separated the land from the sea, yeah
And u set the sun and put the stars in place,
And U did it all in 7 days yeah, ohhhh

[Chorus:]

Woah, woah, woah, woah, woah
Wooaah, woah woah woah woah ooo woah,
U did it all in 7 Days [x2]

[Verse 2:]

Listen and who turned up and, and made somethin
Out of a dirty little wretch like me, woo
Ohhhh it's your mercy and your grace,
That covers me 7 days

[Chorus:]

Woah, woah, woah, woah, woah
Wooaah, woah woah woah woah ooo woah,
U did it all in 7 Days [Until song goes off]
