Better Than Love

Hurts

Every second is a lifetime
And every minute more brings you closer to God
And you see nothing but the red lights
You let your body burn like never beforeAnd it feels better than love
Yeah, it feels better than loveEvery second is a lifetime
And every minute more brings you closer to God
And you see nothing but the red lights
You let your body burn like never beforeAnd it feels better than love
Yeah, it feels better than loveTurn away, turn away, close your eyes
You can runaway, it's not enoughAnother second in the sunshine
A decade in the dark, taking part in a dream
Have you forgotten what she looks like?
Or do you only see what you wanna believe?Does it feel better than love?
Does it feel better than love?Turn away, turn away, close your eyes
You can runaway, it's not enough
I see the lights through the rain, oh tonight
But they never change, so what is love?Does it feel better than love?
Does it feel better than love?Turn away, turn away, close your eyes
You can runaway, it's not enough
I see the lights through the rain, oh tonight
But they never change, so what is love?
