[Shilpa Ray](#)

Detached dumb mechanical
You're maniacal
Patten me your defunct machine
I was made in Japan
Processed in China
Duplicated by a universe of assholes
Detached dumb mechanical
I'm a spectacle
A role in your reality series
I was made to fit your screen
Download me in HD
There for all of your shit streaming
Who's gonna buy me now?
I've got a short shelf life
Who's gonna throw me out?
When I'm past expired?
I want you to close my eyes
When I die
I die
New models rise again
In the future you can spare her the meaning
She'll be made in Japan
Processed in China
Duplicated by a universe of assholes
