

# Toyz N Da Hood (feat. Bootsy Collins)

## Snoop Dogg

Ah, check one yeah, we going back to the hip hop shower  
Non stopping, yeah  
Well the DJs use the turn tables like Gods, oh  
We're just having fun and nobody gets shot  
Now, uh where's my leading lady?  
Now we're moving forward to hip hop and phone  
With Snoop and Bootsy using musical lyric  
To spike you're one strip Heaven saw all our blitz  
I don't know your name, but I think I want a kiss, yeah  
I know you're fine like the wine I drink  
And you may not get a second chance to make a first impression  
So take the opportunity, yeah I pop these parties like I pop MCs  
I never need a ride 'cause I carry my own keys  
And if you wanna hang with us, telling is all good now  
All we do around here is, um play with our toys  
Swing down and get that frown off your face  
Yeah, all we do around here is party in the place Swing down, let me hear you all say  
Party in the place, party in the place  
That's all we do around here baby  
Party in the place  
Get that frown off your face  
Party in the place, party in the place
