Big Sur

The Thrills

So much for the city
Tell me that you'll dance to the end
Just tell me that you'll dance to the end
Hey hey you're The Monkeys
And people said you monkeyed around
But nobody's listening nowJust don't go back to Big Sur
Hanging around
Lettin' your old man down
Just don't go back to Big Sur
Baby, baby please don't go
Oh, baby, baby please don't goSo much for the streetlights
They're never gonna guide you home
No they're never gonna guide you homeDown at the steamboat show
Yeah, all the kids started spittin'
I guess I didn't live up to the billingJust don't go back to Big Sur
Hanging around
Lettin' your old man down
Just don't go back to Big Sur
Baby, baby please don't go
Oh, baby, baby please don't goJust don't go back to Big Sur
Hanging around
Lettin' your old man down
Just don't go back to Big Sur
Oh, baby, baby please don't go
Oh, baby, baby please don't go
