

Looking Through The Eyes Of A Child

Eddie Money

What you know is what you are.
Hollywood is Shangri-La
Will you ever make your mind up there?

I see thunder all through the sky,
Heaven burning in your eyes.
In my dream I know that you still care.

Won't somebody show me the way?
Show me the way
To your heart?

Send me a wise man
Or book about love.
My breath has been taken.
I've been shaken.
You keep me waiting at the edge of the world!

On a rocky shore line,
Like the whim of the wild,
Oh what can I do now?
I want you now!
You've got me lookin' through the eyes of a child!

I don't know what to say or do.
All I know is I need you,
Like the desert needs the rain in May.

Won't somebody show me the way?
Please, show me the way
To your heart?

Send me a wise man
Or book about love.
My breath has been taken.
I've been shaken.
You keep me waiting at the edge of the world

On a rocky shore line,
Like the whim of the wild,

Oh what can I do now?
I want you now!
You've got me lookin' through the eyes of a child!

Won't somebody show me the way?
Please, show me the way
To your heart?

Send me a wise man
Or book about love.
My breath has been taken.
I've been shaken.
You keep me waiting at the edge of the world

On a rocky shore line,
Like the whim of the wild,
Oh what can I do now?
I want you now!
You've got me lookin' through the eyes of a child!
