Caroline

J Roddy Walston And The Business

Is anybody calling? Is anybody holding?
Caroline, my Caroline
Has anybody told you they'd give it all up for you?
Caroline, sweet Caroline
Weren't you the one who said you're better off alone?
Didn't mama tell you that your heart would need a home?
Can't find the reason to get up and face each day
Please run to find me, Caroline
Still go to the movies? Fall asleep at the ending?
Caroline, oh Caroline
Are you still laughing? Same sense of humor?
Caroline, Caroline
Did you forget? These are things we used to do
I don't regret, I treasure moments shared with you
And I'll be here if you decide to change your mind
I'll give you time, please Caroline
You should have said it wasn't working out for you, oh
We could have sat down and talked it through
Just too many wasted tears
I'm left without a prayer
Is anybody hurting like I'm sitting here hurting?
Caroline, I love you, Caroline
