Where Did You Go?

Motor Ace

Why should we talk
Will you bring me down
Will you break my fall?
Your eyes, and your face
Are just staring out like an empty page
When you walk is when I feel you thereDoes it end in doubt
Laugh about all you want to be
Does it sell you short, leave you bored
When you want to live just like this.
Just like this.Time and a place
Would you let me talk
Would you hear my case?
A smile and word
And I'll play you things that no one's heard
When you walk is when I feel you thereDoes it end in doubt
Laugh about all we could've been
Does it sell you short, leave you bored
Hurt you more than me?Where did you go?
What place did you find?
While I've been dreaming here
Don't leave me behind.
Where did you go?
What place did you find?
While I've been dreaming here
Don't leave me behind.Does it end in doubt
Laugh about all we could've been
Does it sell you short, leave you bored
Hurt you more than me?Where did you go?
What place did you find?
While I've been dreaming here
Don't leave me behind.
Where did you go?
What place did you find?
While I've been dreaming here
Don't leave me behind.Where did you go?What place did you find?While I've been dreaming?Don't leave me behind.(Just like this)
(Just like this)
(Just like this)
(Just like this)
