

Blue Christmas

KIDZ BOP Kids

I'll have a blue Christmas without you
I'll be so blue just thinking about you
Decorations of red on a green Christmas tree
Won't be the same dear, if you're not here with me And when those blue snowflakes start falling, start falling
That's when those blue memories start calling, start calling
You'll be doing all right with your Christmas of white
But I'll have a blue, blue, blue, blue Christmas You'll be doing all right with your Christmas of white
But I'll have a blue, blue Christmas I'll have a blue Christmas without you, without you
I'll be so blue just thinking about you, about you
You'll be doing all right with your Christmas of white
But I'll have a blue, blue, blue, blue Christmas
