

# Don't Go Near The Water

## Wild Cherry

Don't go near the water  
Don't you think it's sad  
What's happened to the water  
Our water's going bad Oceans, rivers, lakes and streams  
Have all been touched by man  
The poison floating out to sea  
Now threatens life on land Don't go near the water  
Ain't it sad  
What's happened to the water  
It's going bad Don't go near the water  
Don't go near the water Toothpaste and soap will make our oceans a bubble bath  
So let's avoid an ecological aftermath  
Beginning with me  
Beginning with you Don't go near the water  
To do it any wrong  
To be cool with the water  
Is the message of this song Let's all help the water  
Right away  
Do what we can and ought to  
Let's start today
