Brush You Off

Nessi

I, I got you.
I got you in my veins up in chains, in my blood
You, you got me chasing time
And keep my heart from beating
and I cant help but dig myself in deeperbaby I can't brush you off
cause all I want is, all I want is
maybe I can't get enough
cause all I want is, all I want is your love
I, I know it,
I know you read my mind all the time,
I can't hide
You, you're everywhere I go
And keep my heart from beating,
but I can't help but dig myself in
deeper every time
you got me on a line
and I can't let it go
deeper every time
I fall for every line
but you don't even knowbaby I can't brush you off
cause all I want is, all I want is
maybe I can't get enough
cause all I want is, all I want is your love
baby I can't brush you off
cause all I want is, all I want is
maybe I can't get enough
cause all I want is, all I want is
your love, your love
