

Time Won't Last

Chelsey Chavez

Won't you speed up time won't last
Baby my clock's ticking fast
I won't wait one minute, one second anymore

Don't you know I've been right beside you
But you just see right through
So I'm not gonna stand here and wait

For you, for you, for you
I won't wait up wait up
For you, for you, for you
I won't wait up wait up
For you

Know the simple words to say
Adding a twist into the chase
I won't let you waste my precious time at all

You are long overdue
So now I'm gonna breakthrough
Cause I just won't stand here and wait

For you, for you, for you
I won't wait up wait up
For you for you, for you
I won't wait up wait up
For you, for you, for you
I won't wait up wait up
For you for you, for you
I won't wait up wait up
For you

To show you I have been the one
That was more than summer love
Kisses on the beach
Under palm trees you and me (ooh wee)
My patience ain't the ocean wide
And you threw that aside
You don't have a clue what to really do
I won't wait

For you

I won't wait up wait up for you

I won't wait up wait up

For you, for you, for you

I won't wait up wait up

For you for you, for you

I won't wait up wait up

For you, for you, for you

I won't wait up wait up

For you for you, for you

I won't wait up wait up

For you
