

Hold On & Believe (feat. The Federal Empire)

Martin Garrix

[Verse 1]

I thought my heart was gone
After I lost it all
Felt I was falling down
Still I chose to be proud
Until I hit the ground[Pre-Chorus]
You got me back on my feet again
You said that lovers come and may go
You said that time will pass but I'll stay your friend
I'll help you up when you feel alone

[Chorus]

I was lonely
But after all you told me I'd be okay
Cause friends are worth a whole lot more than money
Hope that everyone has felt like me
Hold on and believe[Instrumental][Chorus]

I was lonely

But after all you told me I'd be okay
Cause friends are worth a whole lot more than money
Hope that everyone has felt like me
Hold on and believe[Instrumental][Verse 2]

I started looking back

At all I used to have

I never felt so low

Where did everyone go

When I need them most[Pre-Chorus]

You got me back on my feet again

You said that lovers come and may go

You said that time will pass but I'll stay your friend

I'll help you up when you feel alone[Chorus]

I was lonely

But after all you told me I'd be okay
Cause friends are worth a whole lot more than money
Hope that everyone has felt like me
Hold on and believe[Instrumental][Chorus]

I was lonely

But after all you told me I'd be okay
Cause friends are worth a whole lot more than money
Hope that everyone has felt like me

Hold on and believe[Instrumental]
