Bowling Green

Blue Harvest

Way down in Bowling Green
Prettiest girls I've ever seen
A man in Kentucky sure is lucky
To love down in Bowling GreenBowling Green folks treat you kind
They let you think your own mind
A man in Kentucky sure is lucky
In Bowling Green you walk your own lineOh, Kentucky sunshine makes the heart unfold
It warms the body and I know it touches the soul
Blue Grass is find, Kentucky owns my mindThe fields down in Bowling Green
Have the softest grass I've ever seen
A man in Kentucky sure is lucky
To lie down in Bowling Green, yeahBowling Green girls treat you right
They wear dresses cut country tight
A man in Kentucky sure is lucky
If he's seen the Bowling Green lightOh, Kentucky sunshine makes the heart unfold
It warms the body and I know it touches the soul
Blue Grass is find, Kentucky owns my mindAh, Bowling Green, ah, Bowling Green
Way down in Bowling Green
Yeah
