Like I'm supposed to, like I'm supposed to

Cuban judo, oh ju dunno, ju dunno?
Pit's worldwide now, three o five around the globe

It's been a while since you had a good time, right?

Oye baby, oye baby, get closer, get closer

Hey sexy let me feel you, let me touch you, let me kiss you baby
Hey sexy let me feel you, let me touch you, let me kiss you baby
This for the DJ's that show me love, bet that up
This for the mami's that shake in the club, whats up?
This for the DJ's that show me love, bet that up
This for the mami's that shake in the club, whats up?
